

UNIVERSITY OF ALASKA FAIRBANKS CORPORATE PARTNERSHIPS

Provide your employees with the opportunity to brush up on their skills, grow their knowledge base and complete their degree.

www.uaf.edu/corporate-partnerships/

Benefits

QUALITY – UAF is a national leader in online education and a world leader in climate and Arctic research.

AFFORDABILITY – Partners are eligible for a tuition discount on eCampus courses, which are already offered at the Alaska resident rate.

VARIETY – UAF offers 180+ degree programs, 50+ of which are offered completely online.

SUPPORT – UAF's team of professionals offer support from enrollment through completion.

CONVENIENCE – Online programs are intentionally designed with busy working adults in mind.

Flexible Partnerships

Whether you financially support some or all of your employee's education or they pay for it themselves, UAF corporate partnerships create an affordable education pathway to world-class degrees and opportunities.

Degrees and Programs

Corporate partnership participants can use their tuition discount rate on 50+ online degree options, and 600+ eCampus courses. These online degree programs include occupational endorsements and certificates, associate degrees, bachelor's degrees, master's degrees, graduate certificates and postbaccalaureate certificates.
